

## Transparency in Healthcare

In accordance with Florida law, our facility is required to let you know that you may or may not pay less for the services at another facility or in another health care setting.

Please know that your attending physician who booked your procedure(s) at our facility may not be on the medical staff of such other facilities or health care settings.

Your attending physician who booked your procedure(s) to be done at this facility, and other health care providers not limited to but as example anesthesiologists, intraoperative monitoring services, durable medical suppliers, and anatomical pathologists may provide services to you at the facility that are not a part of facility's fees. If any of their services are provided to you while being a patient of this facility, the provider(s) may or may not bill separately for their rendered services.

A personalized estimate of charges, including but not limited to specific contact information prior to service, will be provided upon request.

Patients should contact each health care provider who will provide service(s) related to their procedure(s) to determine health care network or preferred provider status.

Please see below list of providers associated with our center. The patient and their provider(s) are responsible to discuss which services will be utilized for their procedure(s).

### **Contracted Service Providers**

### **Payment Bundle Resources**

Information on payments made to the facility for defined bundles of services and procedures is available at <https://pricing.floridahealthfinder.gov/>. The service bundle information is a non-personalized estimate of costs that may be incurred by the patient for anticipated services, and actual costs will be based on services actually provided to the patient. The patient can request a personalized estimate from the center at any time before or after the procedure is performed. Patients should contact the health care practitioners anticipated to provide services to the patient while in the center regarding a personalized estimate, billing practices and participation with patient's insurance provider or HMO as the practitioners may not participate with the same insurers or HMO as the center.
